

# HEAR YE! HEAR YE!

- Obliterates calcium and glaze from rubber rollers
- Eliminates stripping & hickies that may be caused by glaze
- Improves ink transfer and ink /water balance
- Extends roller life and reduces ink consumption
- No VOC's. No chemical fumes. No hazmat shipping fees
- Fully biodegradable. Safe for the user and environment

**The Lore:** Rising above conventional thought, Lehman created a powerful and responsible roller cleaning system. Calcium Slayer & Flush. Safe and effective is no longer heresy.

## Ye Olde Procedures for using Calcium Slayer - **STEP 1**

- Remove all ink from press rollers.
- Isolate ink train from plate cylinder. Don't drop the forms!
- With press stopped, apply a single 1/4" wide bead of pink Calcium Slayer to the ink roller train. Don't be sloppy!
- Start press and allow to run through ink roller train for 2-3 minutes.
- **Do NOT** rinse Calcium Slayer. Proceed directly to Flush (Step 2) application.

## Ye Olde Procedures for using Flush - **STEP 2**

- With press stopped, apply a single 1/4" wide bead of blue Flush to the ink roller train.
- Start press and allow to run through ink roller train for 2-3 minutes.
- **APPLY LIBERAL AMOUNTS OF CLEAN HOT WATER** to ink roller train until Flush and contaminants are purged from the rollers. Finish with usual press wash procedure.

**Ye Olde Heads-Up:** When used as prescribed, Calcium Slayer & Flush will remove an abundance of calcium, ink, paper lint and other debris from the ink train rollers. Weekly use is recommended. **Initial usage may require multiple applications to remove all build-up.**

**Ye Olde Warnings:** Read all product directions carefully and adhere to them at all times. Use of protective eyewear is suggested. If eye contact occurs, rinse thoroughly with clean water. May sting on open sores, cuts or around fingernails. Use of nitrile gloves is suggested. Keep out of reach of children. Do not leave on metal surfaces for extended periods of time. If contact with metal occurs, wipe and rinse thoroughly with clean water.

**IMPORTANT:** Calcium Slayer & Flush were designed to be used as a two-step roller cleaning system. Do NOT use separately or in reverse order. Follow only our prescribed procedures. Lehman Inc., or their authorized agents, will assume no responsibility for improper usage of the products.
