

CDC-Compliant

Jobz Isopropyl Alcohol Sanitizers

Keep your workplace clean and safe with our CDC-compliant 75% isopropyl liquid, gels and wipes.

We produce the liquid with 75% isopropyl alcohol, purified, reverse osmosis water, glycerine for moisturizing and hydrogen peroxide. Our Jobz brand isopropyl alcohol gel is made from isopropyl alcohol (>75%), UV purified reverse osmosis water, methylcellulose, 1-propanesulfonic acid, 2-methyl-2-[(1-oxo-2-propen-1-yl)amino]-, homopolymer, aloe barbadensis leaf juice, D-panthenol (Provitamin B5), Blue 1

Liquids and gels are available in:

- 4 oz & 8 oz pump sprays
- Quarts with flip and spray tops
- 1 gal jugs, 5 gal pails, 55 gal drums and 250 gal totes

Wipes are available as:

- 6" x 12" pre-moistened wipes, 150/bucket

- CDC-compliant, 75% isopropyl alcohol
- Liquids, gels and wipes
- 4 oz pump sprays to 250 gal totes
- Wipes are thoroughly saturated

Order a supply of liquids, gels and wipes today in the container styles that fit your needs.
