

# All Purpose Cleaner Doubles as Strong Insect Repellent

Now you can clean dumpsters, outdoor bars, trash receptacles and other equipment and protect against insects in one step.

Use our non-toxic, 100% biodegradable *Jobz All Purpose Cleaner and Insect Repellent*.

It washes away dirt, grime and filth while repelling bees, wasps, yellow jackets, flies, mosquitoes, spiders and other insects. It doesn't kill the pests. It simply drives them away with natural essential oils.

It also comes in an odor eliminator formula. So if smoke, garbage or bathrooms odors plague you, buy that version.

It's popular with campgrounds, golf courses and amusement parks where it's used underneath decks, overhangs, tables, bars and other areas that attract insects.
