

All Purpose Cleaner with Insect Repellent and **Odor Eliminator**

Now you can clean and deodorize dumpsters, outdoor bars, trash receptacles and other equipment and drive away insects in one step.

Use our non-toxic, 100% biodegradable *Jobz All Purpose Cleaner and Insect Repellent - with Odor Eliminator*.

It washes away dirt, grime and filth while repelling bees, wasps, yellow jackets, flies, mosquitoes, spiders and other insects. It doesn't kill the pests. It simply drives them away with natural essential oils.

It also eliminates odors from smoke, garbage and bathrooms. It's popular with campgrounds, golf courses and amusement parks where it's used underneath decks, overhangs, tables, bars and other areas that attract insects.

- 1 100% biodegradable
- 2 Non-toxic, all natural
- 3 Also available in a less expensive version without the odor eliminator
- 4 Not a pesticide
- 5 Not harmful to bees or insects
- 6 Honey bee safe
